INTERFERENCE SEARCHED			
Class	Sub.	Date	Exmr.

A black and white photograph of a document page. The page is divided into four vertical sections by three lines. The leftmost section contains a small, dark, circular mark. The second section from the left is mostly blank. The third section contains a large, dark, diagonal mark that resembles a stylized 'Z' or a large '3'. The rightmost section is also mostly blank. The entire page is covered with a dense pattern of small, dark specks, likely dust or noise from the scanning process. In the bottom left corner, there is some faint, illegible text that appears to be a date or a reference number.
